The speakers highlighted the inadequacies of the existing state laws and hoped that the new bills will leave the schools better equipped to deal with harmful social behaviors and bullying.
6. Liaison Report (5min): None
7. Future Event on Bullying in schools? Discussion on the merits of holding another event and what it would focus on. Possible topics include support systems for parents.
8. Future events: Race Amity Day in June.
9. Adjourn: Motion to adjourn made by Carolyn, seconded by Dan. Meeting adjourned at 8:23 PM.
