### **Public Participation**

None

### **New Business**

Heritage Day was cancelled due to the weather and field conditions.

Steve Wagner said the Solar Committee did not meet because the committee could not agree to a date. The meetings will resume after the election.

Bart and Louise discussed the Main Street meetings and survey about the Historical District. The survey was complex and the results will assist P& Z in developing regulations with input from the residents. This was the hope with all the meetings although there is still resistance from some of the neighbors.

Pat Botteron sent cards around for the members present to sign. She told everyone that Carol had been in an accident and was recovering in MA. Mike Gantick had surgery and was in recovery.

### **Old Business**

There was a discussion as to whether or not the maps from Michele Lipe were the latest. It was decided that Jeff Folger had not finished the work due to illness and that the review would be tabled till next month.

Betty Warren reported she had presented the petition to the Town Council for the Community Garden on the Nelson property.

The next meeting will be November 9, 2015.

The meeting was adjourned at 6:48 p.m.

Respectfully Submitted,

Sue W. Larsen, Secretary
