To the town of South Windsor, CT Planning and Zoning

Thank you for your consideration in giving us the access of an indoor sports facility at 185 Commerce Way. We are excited to provide the opportunity of a year-round sports facility to athletes of all abilities from the local area and neighboring towns, especially to athletes who do not have access to a facility during the winter season. The facility will consist of two batting cages and will be utilized for sports training for groups of ten to thirteen athletes, or individual private lessons with only one or two athletes at a time per cage, with the addition of a few coaches and/or trainers during these events. Any and all practices or events will be supervised by either coaches or trainers. The building will not be accessible without the presence of at least one employee, with there being no exceptions. The hours of operations will be Monday through Friday from 4:00 PM – 10:00 PM; Saturday and Sunday from 10:00 AM – 10:00 PM. There will be slight room for flexibility outside of these hours in the need of special circumstances. Thank you again.

Sincerely,

Dreams Sports Academy
