

**Appl 20-54P, Robert Maffucci dba Vito's Restaurants 'Weddings on the Farm'**

Submitted by applicant: **Ally Brown**

Narrative:

The maximum number of people per event is dictated by the tent size and wedding couple, but we have not had an event larger than 150 guests thus far. For parking, I do not believe there are changes from the original plans. We do post signage and rent a police officer per each event to direct traffic. For food it is the same. We do hot and cold holding under a tent and all food is cooked in our commercial kitchen and delivered onsite just before meal time. For restrooms we rent trailers, individual bathroom stalls with light, water, power and air conditioning, per each event. We have a dedicated power source and the restroom company supplies water as not to disturb the well on the property. Please let me know if you have any other questions. We hope you are staying safe and well.

Thank you! Happy Holidays!
