

Re: Temporary and conditional Permit for 30' x 60' Tent

Owner: Bahler Brothers INC.

Location: 24 Jeffrey Drive

Town of South Windsor,

We at Bahler Brothers would like to ask you to continue the Temporary and Conditional Permit that you have been granting to Superior Northeast over the past several years.

Due to the fact that we, like Superior, are in need of additional enclosed space we are applying for this permit. We have grown and have added a landscape division and there are a lot of small tools, equipment and supplies that need to be kept under cover.

The list of some of the items are:

Dry Items: Grass seed, Penn mulch, Straw rolls, Peat moss.....

Equipment: Seed Spreaders, Sod Cutter, Mulch Blower, Posthole Digger.....

Along with many other miscellaneous items.

We would really appreciate you allowing us the extension of this permit.

Sincerely,

Bahler Brothers Inc.
