	Strict application of the regulations would produce UNDUE HARDSHIP because of the other side having unagen, and the other side having coming drawn, it would have the pool to come right up to a deck which would be extrany unsafe	
2.	The hardship created is UNIQUE and not shared by all properties alike in the neighborhood because Out plot has a footing drain as well as uneven terra	in on
3.	The variance would not adversely impact neighboring property; i.e. public health, so convenience, welfare and property value, because Our reighbors are all ak with the placement and it would not in with Giyanes saftey view; sooperty value or any other regiment.	terfore
