**RE: 475 GOVENORS HIGHWAY  
SOUTH WINDSOR, CT**

Dear Ben:

The inland wetland boundaries on the above-referenced property were field delineated. The wetlands were field delineated in accordance with the standards of the National Cooperative Soil Survey and the definition of wetlands as found in the Connecticut General Statutes, Chapter 440, Section 22A-38. I have reviewed the plans prepared by your office and have found the representation of the field delineated wetlands to be substantially correct.

Jeffrey Folger, of the Town of South Windsor, and I walked the property last summer to confirm the wetland delineation. It is my understanding that Mr. Folger is in agreement with my delineation.

If you have any questions, or require additional information, please call me at (860) 742-5868.

Very truly yours,

*John P. Ianni*
