2. All maps (3 copies) and documents (3 copies) per the Planning Department Checklist are required at time of application for review. Plans must be submitted as complete plans - which include the application plus all required information contained on checklist. It is the applicant's responsibility to ensure that all information required on the checklist is submitted in one package at the time of submission - including landscaping plans, architectural elevations, traffic report, etc.

After review, Town staff will notify the applicant of requested/required modifications.

If the applicant revises plans, seven (7) new full size sets OR three (3) full size and ten (10) 11"x17" size sets must be submitted. Revised plans should include all sheets and be complete packages (Applicant may disassemble previously submitted plans and reuse sheets if so desired). Plans are required to be submitted at least one (1) week prior to the day of the public hearing or meeting.

Note: If the applicant is required to go in front of the Architectural Design Review Committee, it is imperative that the applicant fulfill the requirements on the ADRC checklist by the time of the meeting.

3. The applicant shall be responsible for displaying a sign on the property that states that an application is pending before the Commission. The sign shall be visible from a town street and shall be displayed for at least ten (10) days before the scheduled meeting. Signs are available in the Planning Department, South Windsor Town Hall.

(If an application is submitted to the Planning and Zoning Commission and the Inland Wetlands Agency / Conservation Commission simultaneously, one letter addressing both applications can be sent.)
5. All prospective applicants are urged to confer with Planning Department and Engineering Department staff prior to submission of any application to the Commission.
