# PRESS RELEASE

## Plow Route and Regulatory Sign Tree Trimming

The Town of South Windsor Public Works Department will be trimming tree limbs above the town roadways to allow for safe plowing operations and trimming tree limbs that are blocking view of our town regulatory signs. The tree trimming will be performed over the upcoming winter months and will encompass all town roads.

Please call Marco Mucciacciaro at the South Windsor Town Garage if you have any questions or concerns at (860)648-6366.
