South Windsor Electronic Waste Collection and Recycling Program

In July of 2007, the State of Connecticut enacted an e-waste recycling law enabling Towns to recycle household electronic waste at no cost. Residents will be able to conveniently recycle their covered electronic devices (CED) while the manufacturers will pay all costs for transportation and recycling.

The collection events will be held at the **Town Hall, 1540 Sullivan Avenue on Saturday from 8:00 a.m. to 1:00 p.m. in the rear parking lot.**

### Dates

- **January 11, 2020**
- **March 7, 2020**
- **May 2, 2020—CANCELLED**
- **July 11, 2020**
- **September 5, 2020—CANCELLED**
- **September 12, 2020**
- **November 7, 2020**

### What You Can Do

Look at the check list of electronic devices to the right. If you have any of these products in your home and don’t intend to use them or give them away, please bring them to the Town’s E-Recycling Collection at the South Windsor Town Hall in the rear parking lot.

Signs will be used to control traffic flow through the site; access to the site will be from Sullivan Avenue. The E-waste contractor will be on site to receive the E-waste directly from each resident.

**No items with refrigerants (refrigerators/air conditioners)**

**For your safety, PLEASE STAY IN YOUR VEHICLE DURING THE ENTIRE COLLECTION.**

We will take care of everything, so just sit back and relax.
