New Business

- 1) Open Choice update (Kathy)
- 2) Interview with Stephen Higgins, equity program direction
- 3) 860-2911247
- 4) We have 100-110 project choice students
- 5) We are allowed to request one CREC bus for afterschool programs

6) That gets complicated because afterschool activities end at different times. We can call a cab for a student or a parent needing to attend afterschool or evening activities. But that is difficult because the cab could take as much as 45 minutes. That makes for a really long day for Hartford students who have to get up at 5:30 or so. I have talked to a few students who say lack of transportation is a factor in not participating in an activity or sport.

a)

7) Funding responses. None so far.

8) Any other new business.
