RESOLVED:

Section 1. The sum of \$7,555,000 is hereby appropriated by the Town of South Windsor, Connecticut (the "Town") for the planning, design, acquisition, installation, construction, equipping and furnishing of campus improvements and new athletic facilities at South Windsor High School or other Town property, including, but not limited to: (1) the construction and installation of (i) a lighted multi-purpose turf field; (ii) new tennis & pickleball courts; and (iii) a new entrance driveway; (2) related costs, including, but not limited to, expenses related to permitting, environmental and geological testing, earthwork, site work, installation of electrical, lighting, technology, security and other infrastructure, construction, reconstruction and improvement of parking areas, sidewalks, driveways and roads, including rebuilding, resurfacing, drainage, conduits, and related subsurface and infrastructure improvements, landscaping, construction or installation of concession facility, temporary parking and storage, relocation of existing facilities (including, but not limited to, basketball courts and little league fields), demolition, removal and replacement of unused infrastructure; and (3) related legal, consulting, licensing, advisory, administrative, governmental fees and expenses and costs of issuance related thereto, said appropriation being inclusive of any and all State and Federal grants-in-aid thereof (the "Project").

Section 2. To meet said appropriation, \$7,555,000 bonds of the Town or so much thereof as shall be necessary for such purpose, shall be issued, maturing not later than the maximum maturity permitted by the General Statutes of Connecticut, Revision of 1958, as amended from time to time (the "Connecticut General Statutes"). Said bonds may be issued in one or more series as determined by the Town Manager, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient, with other funds available for such purpose, to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, financing, legal and other costs of issuance of such bonds. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in fully registered form, be executed in the name and on behalf of the Town by the facsimile or manual signatures of the Town Manager and the Town Treasurer, bear the Town seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company, and be approved as to their legality by Robinson & Cole LLP, Hartford, Connecticut. The bonds shall be general obligations of the Town and each of the bonds shall recite that every requirement of law relating to its issue has been duly complied with, that such bond is within every debt and other limit prescribed by law, and the full faith and credit of the Town are pledged to the payment of the principal thereof and interest thereon. The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details and particulars of such bonds, including the approval of the rate or rates of interest, shall be determined by the Town Manager and Town Treasurer, in accordance with the Connecticut General Statutes.

Section 3. Said bonds shall be sold by the Town Manager in a competitive offering or by negotiation, in his discretion. If sold in a competitive offering, the bonds shall be sold at not less than par and accrued interest on the basis of the lowest net or true interest cost to the Town. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least

five days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds. If the bonds are sold by negotiation, the purchase agreement shall be approved by the Town Manager and Town Treasurer.

Section 4. The Town Treasurer is authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. Notes evidencing such borrowings shall be signed by the Town Manager and the Town Treasurer, have the seal of the Town affixed, be payable at a bank or trust company designated by the Town Manager, be approved as to their legality by Robinson & Cole LLP, Hartford, Connecticut and be certified by a bank or trust company designated by the Town Manager pursuant to Section 7-373 of the Connecticut General Statutes. The notes shall be issued with maturity dates which comply with the provisions of the Connecticut General Statutes governing the issuance of such notes. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the Project. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 5. The balance of any appropriation or the proceeds of any bonds or notes not needed to meet the cost of the Project authorized hereby may be transferred by the Town Manager, upon approval of the Town Council, to meet the actual cost of any other capital project of the Town (including capital projects authorized by prior or future bond resolutions) for which a valid appropriation and bond authorization has been adopted; provided that the aggregate amount of bonds authorized pursuant to such transfer shall not be increased.

Section 6. The Town hereby expresses its official intent pursuant to Section 1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and any time after the date of passage of this resolution in the maximum amount of the Project with the proceeds of bonds, notes, or other tax-exempt obligations ("Tax-Exempt Obligations") authorized to be issued by the Town. The Tax-Exempt Obligations shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the Project, or such later date the Regulations may authorize. The Town hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Town Treasurer or his/her designee is authorized to pay Project expenses in accordance herewith pending the issuance of the Tax-Exempt Obligations.

Section 7. The Town Manager and Town Treasurer are hereby authorized, on behalf of the Town, to enter into agreements or otherwise covenant for the benefit of bondholders to provide information on an annual or other periodic basis to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notices to the MSRB of certain events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this resolution. Any agreements or representations to provide information to MSRB made prior hereto are hereby confirmed, ratified and approved.

Section 8. The Town Manager and the Town Treasurer, or either of them, are hereby authorized, on behalf of the Town, to enter into any other agreements, instruments, documents and certificates, including tax and investment agreements, for the consummation of the transactions contemplated by this resolution. As you all know, the Town Attorney has determined that the current seven person membership of the Charter Revision Commission is out of compliance with State requirements - limit of no more than 25% of members can be "Public Officials". That would limit us to only two public officials, while we currently have three. At the last town council meeting, before this topic was tabled, the council indicated that I would be the member that should be replaced to get the commission into compliance.

While I was really looking forward to participating in the commission and think that I would have been a valuable member, because I believe the work this commission is going to do is so important to the future of our town, I do not want this issue to become either political or divisive.

Therefore, please accept my resignation from the Charter Revision Commission effective immediately.

Thanks.
