Good evening,

With the closing of the Sams Club in Manchester, CT which was less than 2 miles down from the proposed site and a BJ's Store less than 4 miles away from the proposed area. Why is this project being considered and what is the data that shows us that there is a demand for such a business in town. And that this will not be an abandoned building in 5 years... or less?

Sincerely,  
Damian Humphrey  
6 Birch Hill Drive
