for the

PRIEST FARMHOUSE WINDOWS

Open to all Students and the General Public.

Located at
1407 Sullivan Ave
In South Windsor

The SWAAN Committee is working on a plan to restore the historic Priest Farmhouse . In order to protect the house from the weather and vandals we have boarded all of the windows.

The Town of South Windsor would like to add an aesthetic quality to the building by placing artwork on each of the boarded windows.

We will supply primed plywood panels to individuals willing to create a painted work of art on each panel. The panel will then be placed over each window board to improve the look of the house until it can be restored

Panels can be picked up at the Park and Recreation office located at 91 Ayers Rd (Wapping School):
