

## Copies of Plans or Maps

For copies of plans or maps (full size) we will charge 10 dollars per page for plans or maps that are 10 pages or less to make the copies in house.

Any copies that are 10 pages or more will need to be sent out to a third-party company. The cost will reflect on the rate given by the third-party company and the Town will charge an additional 25% on top of that rate.

All checks shall be written out to the **Town of South Windsor**.
