EXPLANATION OF FEES
SANITARY SEWER FEES AND CHARGES ARE ESTABLISHED AND APPROVED BY THE WPCA ON AN ANNUAL BASIS.
<p><u>Capacity Charge</u></p> <p><i>Pursuant to Section 7-255 of the CGS the WPCA may establish charges for the use of a sewerage system. The capacity charge is a charge on new buildings to contribute a pro-rata share of the costs of the system capacity and facilities needed to provide service. The fee shall reflect the appropriate amount of the share for that connection to the assets in the utility system and shall be calculated based on equivalent dwelling units.</i></p>
