CALL TO ORDER: Chairman Pacekonis called the Public Hearing to order at 7:00 p.m.

Secretary Commissioner Bonzani read the legal notice as it was published in the Journal Inquirer on Friday, February 14, and Thursday, February 20, 2020.

Commissioner Flagg asked if the South Windsor School Referendum on March 10, 2020 would interfere with attendance for the PZC meeting scheduled for the same night.

Chairman Pacekonis appointed Alternate Commissioner Bernstein to be seated for Commissioner Wagner and Alternate Commissioner LeBlanc to be seated for Commissioner Greer.

1. **Appl. 19-57P Evergreen Walk, LLC** – request to modify the Evergreen Walk General Plan of Development for a 161,000 +/- sf store, including a gas station, on Unit 12 (combining retail sf originally shown on Units 4, 9, 12 and 13), on property located at 151 Buckland Road, Buckland Gateway Development Zone POSTPONED AT APPLICANT’S REQUEST UNTIL MARCH 10, 2020

Application posted until March 10, 2020 per applicant’s request.

2. **Appl. 19-58P, Evergreen Walk LLC** – request for a text amendment to modify Section 4.2.15 A(2) 2 of the zoning regulations to increase the number of residential units from 200 to 440 units; and to modify Section 4.2.15 (A) 2 (c) to eliminate the requirement of the 2:1 ratio of residential to commercial uses within a Development Area plan, instead allowing the ratio to be met through the General Plan

Land Use Attorney Christopher Smith with Alter and Pearson LLC presented the application with Mr. Alan Lamson of FLB Architecture and Planning on behalf of the applicant, Evergreen Walk, LLC stated the agenda and legal notice have the wrong reference to one of the parts of the regulations they are seeking to have amended. The legal notice should be re-published because it can be argued to be defective if it was to be challenged. Director of Planning Michele Lipe confirmed Section 4.2.15 A (2) 2 should read Section 4.2.15 (A) 2 (e). Chairman Pacekonis asked if an extension from the applicant is necessary. Director Lipe indicated their current extension time frame is in effect through March 14th but will have to be extended if the commission cannot go forward on March 10th.

Chairman Pacekonis bought up the question raised by Commissioner Flagg regarding the March 10th referendum and confirmed with Director Lipe commission meeting dates are not typically rescheduled because of voting. Commissioner Dexter stated she will be assisting the registrar at the polls and will not be able to attend the March 10 meeting. Director Lipe stated other commissioners have indicated they will be unable to attend and discussed meeting dates and previously scheduled applications. The applicant will go forward with their general plan application on March 10th and file an extension of time for their zoning text amendment to be heard on March 24th.
Mrs. Mary Donston of 33 Norman Drive asked about the process and what next steps will be taken. Chairman Pacekonis indicated there will be a corrected public notice published in the Journal Inquirer and agenda posted on the Town website. A full public hearing will be held on March 24th after which deliberations will take place later that evening or at the next meeting.
