ITEM:

13. A. (Continued)

NOW, THEREFORE, BE IT RESOLVED that the South Windsor Town Council hereby stipulates that the Town Clerk’s position shall be equivalent to a Grade 8 in the current Non-Bargaining Unit Members Job Classification, with an annual compensation of $76,000, said annual salary rate to be retroactive to December 16, 2019; and

BE IT FURTHER RESOLVED that the Town Clerk’s annual compensation will be adjusted each July 1st, starting in 2020, in accordance with the management plan.

B. Resolution Appointing Murtha Cullina as Town Attorney

BE IT RESOLVED that the South Windsor Town Council appoints Murtha Cullina to the position of Town Attorney for the Town of South Windsor; and

BE IT FURTHER RESOLVED that this appointment is in accordance with Chapter 5, Section 501 of the Town Charter, and in accordance with the terms agreed to by the Town Council.

Was made by Councilor Delnicki
Seconded by Deputy Mayor Pendleton

Answering questions from the Council, Mr. Maniscalco explained that Murtha Cullina offered a retainer fee in the amount of approximately $100,000 for all of the work that they are going to be doing for the Town Attorney activities. There are potentially going to be special projects above and beyond the normal work that will require additional work and hours. Town staff will be working on identifying what those special projects will be.

Councilor Snyder stated that the current Town Attorney has not been working on a retainer. In the past, it was found that when the Town was working with a Town Attorney that was on retainer, the funds were not being used. Councilor Snyder voiced concern about switching the process from a pay as you go to a retainer.

(Resolution Continued on Next Page)
ITEM:

13. B. (Continued)

Mr. Maniscalco responded by explaining that the Town has over spent this line item this past year by 125% and has over spent for the past two years. The retainer system is the best way to help control this cost. In discussions with Murtha Cullina, they have said the dollar amount for the retainer system could be discussed in the coming year to align it more with what the Town is using.

At 8:00 p.m., the Regular Meeting was recessed in order to go to a Public Hearing. The Regular Meeting reconvened at 8:05 p.m.

Councilor Snyder informed the Council that she does not like having a retainer.

Councilor Lydecker stated that she likes the idea of a retainer because in previous years, the Town had budgeted $150,000, and by the end of the year, the Town had spent well over $200,000. Councilor Lydecker explained that she had thought the Council was going to be presented with other firms tonight that were being considered by the Committee as opposed to just being given one name to vote on.

Mr. Maniscalco informed the Council that the Committee has a master scoring sheet that can be provided to the Council. The different categories that firms were scored on were pricing, services, the different types of law the firm practices, their experience with the Town of South Windsor, communication, and responsiveness. Each Committee member scored the firms based on the categories, and then all of the scores were combined. There was only a .5 or .8 difference between the top two firms. There were nine firms that applied for the position and three that were interviewed.

Councilor Lydecker stated that she is a little hesitant because she would have liked to have seen the information regarding the firms and would also have liked to have had the special projects defined. Councilor Lydecker questioned if the Council should wait to act on this resolution?

(Resolution Continued on Next Page)
ITEM:

13. B. (Continued)

Mr. Maniscalco voiced concern because at this point, the Town needs to get a Town Attorney in place to address the legal issues of the Town. Mr. Maniscalco stated that he believes that Murtha Cullina’s hourly billing rate is approximately $225.00, which is in the same proximity as the blended rates for most firms. The attorney that will be working with South Windsor is Attorney Kari Olson, but there are several attorneys that will be available to the Town with different experiences.

Councilor Snyder felt that an Executive Session should have been held but would not hold up the vote on this item.

Councilor Maneely stated that the Town needs a firm that is equipped to handle the diversified issues that arise so that outside lawyers are not needed.

Deputy Mayor Pendleton stated that in the past, she has requested that the Council receives historical documentation or correspondence related to any agenda item that will help the Council make an informed and educated decision on a matter that comes before the Council. Deputy Mayor Pendleton said she has not received any information on this appointment and does not feel she can take a vote on this item.

Mr. Maniscalco recommended that the Council does not move forward with this resolution tonight, and he would get the Council the appropriate information concerning this issue but voiced disappointment that since the Council received their packet on Thursday, he has not heard from any Council members until today at 6:00 p.m.

Councilor Maneely made a motion to table the resolution. Deputy Mayor Pendleton seconded the motion. The motion failed on a roll call vote of 2 to 7 with Councilor Lopez, Deputy Mayor Pendleton in favor; and Councilor Lydecker, Councilor Evans, Councilor Hockenberry, Mayor Paterna, Councilor Delnicki, Councilor Maneely, and Councilor Snyder not in favor of tabling.

Councilor Snyder made a motion to call the question. The motion was approved unanimously.
ITEM:

13. New Business (Continued)

D. Resolution Authorizing the Town Manager to Sign and Execute an Agreement with the South Windsor Chamber of Commerce

WHEREAS, the South Windsor Chamber of Commerce has been looking for space to relocate; and

WHEREAS, discussions have been held with the Town about using office space in the Community Building at 1776 Ellington Road; and

WHEREAS, in order for the South Windsor Chamber of Commerce to use this property for office space, a two year temporary and conditional permit was necessary through the Planning & Zoning Commission; and

WHEREAS, on February 11, 2020, the Planning & Zoning Commission approved a two year temporary and conditional permit for 500 square feet of business office space within the Community Building for the South Windsor Chamber of Commerce

NOW, THEREFORE, BE IT RESOLVED that the South Windsor Town Council hereby authorizes Town Manager, Michael Maniscalco to sign and execute an agreement, and any other necessary documentation that would allow the South Windsor Chamber of Commerce to relocate to the 500 square feet of office space at the Community Building located at 1776 Ellington Road.

Was made by Deputy Mayor Pendleton
Seconded by Councilor Maneely
The motion was approved, unanimously
ITEM:

17. Executive Session
