Employees exercising this schedule option will not be eligible for overtime in their assignment until working past the tenth continuous hour of their regular shift.

6.2 Employees hereunder shall not be required to suspend work in regular hours to absorb overtime.

6.3 (a) The uniformed patrol division work day (24 hours) shall consist of three (3) shifts, or watches

</table>

Watch periods will be for twelve (12) weeks, with days off rotating each week, retreating one day off with each rotation. The below is an example of one line of the schedule and is for illustration of how the rotation works:

Week One: Sunday / Saturday
Week Two: Sunday / Friday
Week Three: Wednesday / Thursday
Week Four: Tuesday / Wednesday
Week Five: Monday / Tuesday
Week Six: Monday / Saturday
Week Seven through Week Twelve: Repeat Week One through Week Six

Watches will rotate in a clockwise movement from Mid Watch to Day Watch to Swing Watch.

(b) Each watch will be staffed proportionally, based upon the workload as determined by calls for service, and as determined by the Chief of Police or his/her designee. Watch positions (Supervisory and patrol officers) will be
staffed through a bidding system, by seniority. An early and/or late car may be assigned, per shift, at the discretion of the Chief of Police or his/her designee.

No more than two slots on each watch will be reserved for officers designated as rotators. Rotators are defined as police officers assigned to patrol upon successful completion of the field training program.

Upon completion of the field training process each new patrol officer shall rotate through each of the three watches for a total of (3) schedule rotations (36 weeks). “One rotation” shall consist of one full schedule assigned to each watch. Watch assignments for such rotators shall be at the discretion of the Chief of Police however, the intent of this rotation is to ensure that each new patrol officer is exposed to the activities and routines of each of the three patrol watches.

Upon completion of the 36 week rotation period an officer will achieve bid status meaning that future patrol assignments will be through the seniority bid system. Once a patrol officer achieves bid status he or she cannot be returned to rotator status.

Any member assigned to the midnight shift shall receive 15 minutes of earned comp time for each straight time shift worked during the midnight shift. (Does not apply to midnight overtime shifts or any approved time off).

(c) The Town reserves the right to adjust the assignment and work hours of a member in the event the member is put in a position of supervising or being supervised by a spouse or dating partner who is also a member of the bargaining unit. Such adjustment may be made to either or both of the employees engaged in such relationship and such adjustment will be made without regard to other applicable articles of this agreement. Any adjustment made in accordance with this article will not impact the bidding rights and scheduling of a more senior member. (The officer being moved cannot displace a more senior member from their place on the work schedule.) This is not intended to limit or preclude a member from working a short-term assignment such as private duty or an overtime shift when the married partner may also be working at the same time in a supervisory or other capacity.

(d) The basic watch period for administrative assignments will be 8:00 AM to 4:00 PM, Monday through Friday. Assigned personnel may, however, work other flex type hours with the approval of their supervisor, (7:00 AM to 3:00 PM, 9:00 AM to 5:00 PM) without expense to the Town. Personnel in Administrative Assignment[s] will not normally be assigned to work on holidays covered by this agreement.

6.4 (a) Generally, a sergeant will be assigned as a field supervisor on each of the
three watches for the duration of each work schedule. In the event a sergeant is not assigned to a particular watch from the beginning of the scheduled watch rotation as the result of a sergeant’s extended absence or the lack of availability of a patrol sergeant, other patrol sergeants shall be given the opportunity to bid for the vacant field supervisor’s position. This clause is intended to address the long-term scheduling of patrol sergeants and not vacancies that arise as the result of vacation or other bona fide time off.

(b) In the event a patrol sergeant becomes unavailable to serve on a particular watch as field supervisor during a schedule rotation, the Chief of Police shall appoint one of the Corporals assigned to that watch as the field supervisor for the duration of the sergeant’s absence. However, if such absence is expected to last more than five weeks, then the provisions of 6.4(a) above apply and other patrol sergeants shall have the opportunity to bid for the field supervisor’s slot on that watch. A Corporal who is assigned to serve temporarily in the role of field supervisor for a period of more than five (5) consecutive weeks on one particular watch shall receive an increase of 5% of base pay for continued service in such position on that watch beyond the initial five week assignment. This increase shall not apply to shifts or assignments in which the Corporal is not serving in the role as field supervisor on their assigned watch.

(c) A Corporal who is assigned to serve in the role of field supervisor for a full fourteen week schedule on one particular watch shall receive a temporary increase of 5% of base pay for the entire twelve week schedule. Such increase shall not apply to shifts or assignments in which the Corporal is not serving in the role as field supervisor on their assigned watch.

6.5 Shift rotations shall be posted at least fourteen (14) days prior to the effective change, except for emergency situations and for the duration of the emergency.

6.6 Once designated, and in the manner provided for in this Article an employee’s regular days off shall not be changed during the work period, without the express approval of the employee.

6.7 Voluntary watch swapping within rank may be allowed subject to the approval of the Chief of Police or his/her designee.

6.8 Employees who receive mandated in-service training will be paid straight time regardless of its relation to the eight (8) hour day or forty (40) hour work week. Employees may elect to have the Department reschedule their days off, or to be paid in accordance with above.

6.9 The Town and the Union mutually agree to explore new scheduling options. Should a mutually agreeable schedule be developed, said schedule will be implemented for a six (6) months trial period. If the Town and the Union, at the conclusion of the six (6) months, do not mutually agree on said schedule, the
Article 7 — Overtime

This language will not apply to phone calls lasting less than ten minutes or electronic communications (i.e. text messages or e-mails) that the officer is not mandated to respond to.

7.2 The Town shall have the right to assign overtime work as required and in a manner consistent with the operational requirements of the Police Department. Employees shall be given as much notice as possible for overtime opportunities. Overtime shall be filled in accordance with the Operations Directive.

Lieutenants, Sergeants, Corporals and Officers shall have the option of declining to work overtime except:

(a) In any emergency situation as determined by the Chief of Police or his/her designee.

7.3 The Chief of Police or his/her designee may offer but employees are not required to accept compensatory time off in lieu of overtime pay. Employees may accrue up to a maximum at any one time of ninety six (96) regular hours of compensatory time. At no time can an employee’s accrued time in the bank and time scheduled ahead exceed 96 hours. Compensatory time will accrue at the rate of time and one half. Any unused time in the bank will float from year to year with no annual payout. Any accrued compensatory time will be paid to an employee upon separation, termination or retirement from Town service.

Employees may take earned compensation days off at their discretion subject to the approval of the Chief of Police or his/her designate. Requests for time off must be submitted to the Chief of Police or his/her designee in a reasonable amount of time when possible.

7.4 The Chief of Police reserves the right to assign overtime, other than patrol overtime, to personnel assigned to specific positions when the particular overtime assignments relate to the duties of the position. (Bicycle Patrol, Motorcycle Operators, Investigations, Traffic, K-9, Auxiliary School Resource Officer, Special Enforcement Unit, Elderly Service Unit, Youth Service Officer or other Administrative Assignment.)

8.3 If more than one (1) appointment is made on the same day, the seniority of such appointees shall be in the order of appointment from the eligibility list.

8.4 An employee shall lose all seniority if: He/she is discharged for just cause; or, if he/she fails to return to work upon his/her expiration of leave of absence without a written explanation which is acceptable to the Chief of Police or to the Town manager.

8.5 Seniority will be computed from the date an employee is appointed a regular employee, including the probationary period.

8.6 In the event a reduction of personnel becomes necessary, layoffs shall be by inverse department seniority as defined by this Article. Laid off employees shall have one (1) year of recall rights if a new hire is required.

Members who hold positions in which their hours of work can be adjusted shall also be contacted. However, any flexing or swapping of work schedules must be approved by a member’s supervisor. Members who refuse such an extra police duty assignment shall be moved to the rear of the rotation system.

Members who accept such an assignment are free to split the job as allowed in the past, however if the duration of the job will exceed 12 hours the member currently assigned to it must notify the on duty supervisor and the duration of the assignment shall be filled as a new short notice job via the rotation system. If the job cannot be filled, the member currently on the job shall have the option of staying on the job, not to exceed 16 hours.

(e) Should an irregularity or other grievance associated with the assigning of private duty arise, the Chief of Police, upon complaint, will investigate and take action as appropriate however, financial compensation for the aggrieved party shall not be part of the final remedy for the grievance.

A member who works in excess of eight (8) hours shall be paid at the rate of time and one-half of Rate 1, except in cases where the
member is working an assignment paid at Rate 3 in which case work in excess of eight (8) shall continue to be paid at double-time rate of pay.

If an extra duty assignment is canceled (cancel time is determined by the time the vendor notifies dispatch) less than eight (8) hours prior to the start of said duty; the assigned member shall receive four (4) hours pay at the applicable rate.
