**To:** Members of the South Windsor Town Council  
**From:** Matthew B. Galligan, Town Manager  
**Subject:** Town Manager's Report for 2/21/17 Town Council Meeting  
**Date:** February 17, 2017

### **Fiscal Year 2017/2018**

Due to the possible effect on South Windsor from the recently proposed budget from the Governor, I have put a discussion item to highlight some issues for the next fiscal year. Staff and I will have our work cut out for us during this next budget year.

The Clerk of the Council will be sending out the budget schedule dates in your packet. I will also be discussing that schedule during the budget discussion item on the agenda.

### **Audit Committee**

The Audit Committee recently met with Blum Shapiro to discuss the results of the 2016 Audit. The Council will receive an update in the near future.

### **Crumbling Foundations**

I am scheduling a public forum of the Crumbling Foundations Committee on February 22, 2017 at 6:00 p.m. At this forum, I would like to discuss our progress to date and the next steps on the crumbling foundations bills before the State Legislature. A representative from CRCOG will also try to be in attendance to update residents on their progress.

### **Pending Items**

The Clerk of the Council will be updating the Council's pending items list. When I return, I will review the list to see what items need attention.
