WHEREAS, the Town of South Windsor has a very complex audio-visual system that is used to hold, record, and broadcast public meetings; and

WHEREAS, an effort to continue to improve and expand the functionality of the system is ongoing, and the cost to add elements to the audio-visual system often exceeds the threshold for competitive bidding set forth in Section 714 of the South Windsor Town Charter; and

WHEREAS, in order to maintain the continuity of the current audio-visual system and minimize costs, it is in the best interest of the Town to waive the competitive bid process each time elements are added to the audio-visual system. This will allow a single vendor to have complete knowledge of the system, thus providing more streamlined and efficient services to the Town

NOW, THEREFORE, BE IT RESOLVED that the South Windsor Town Council hereby waives the competitive bid process as described in Section 714 of the Town's Charter and authorizes the use of a single vendor for the continuing purchase and installation of audio-visual systems equipment in South Windsor facilities.
