

PUBLIC HEARING MINUTES

**July 2, 2018
8:00 p.m.**

South Windsor Town Council

PURPOSE: To receive citizen input on the appropriation of \$86,723 of LoCIP Funds to cover costs associated with the telephone system wiring for new phones at the Police Department and Community Center, and replacement of the cooling tower at the South Windsor Public Library

Mayor Anwar called the Public Hearing to order at 8:00 p.m.; and requested that the Clerk of the Council read the call of the meeting (a copy of which is attached hereto, **Exhibit A**). There were approximately twenty (20) people present in the audience.

Mr. Clay Major, Facilities Manager, explained that the cooling tower is twenty-two years old and has exceeded its useful life span. The sump and the cooling tower hold about 120 gallons of water, and it has shown extensive rust and pitting over the last couple of years. The Town has patched it in the past, but it is now time to replace it. The phone system wiring needs to be updated because the Town would like to use the latest phone technology and cannot do that with the type of wiring that is presently being used.

Mayor Anwar asked if there was anyone from the public that would like to speak.

Mr. Steve Wagner, 181 Tumblebrook Drive came forward to speak in favor of both projects. It is very important for the Police Department to have the latest technology. It is also very important for an air conditioning system to have somewhere to place the heat, so the cooling system should be replaced.

Mayor Anwar asked for a Straw Vote, the results of which were as follows:

Those supporting the appropriation of \$86,723 of LoCIP Funds to cover costs associated with the telephone system wiring for new phones at the Police Department and Community Center, and replacement of the cooling tower at the South Windsor Public Library: 15

Those opposing the appropriation of \$86,723 of LoCIP Funds to cover costs associated with the telephone system wiring for new phones at the Police Department and Community Center, and replacement of the cooling tower at the South Windsor Public Library: 0

The public hearing was closed at 8:03 p.m.

Respectfully submitted,

Deborah W. Reid
Clerk of the Council
