

PUBLIC HEARING MINUTES

**June 6, 2016
9:00 p.m.**

South Windsor Town Council

PURPOSE: To receive citizen input on the Appropriation of \$300,000 from the Capital Stabilization Fund to cover costs associated with a fence at the High School, furniture and fixtures at the EOC, and Revaluation

Mayor Delnicki called the Public Hearing to order at 9:00 p.m.; and requested that the Clerk of the Council read the call of the meeting (a copy of which is attached hereto, **Exhibit A**). There were approximately ten (10) people present in the audience.

Ms. Patricia Perry, Director of Finance came before the Town Council and informed the Council that the break down for use of the \$300,000 is \$88,000 for the furniture and fixtures at the EOC, \$76,000 for the fence at the High School, and \$136,000 for the Revaluation.

Mayor Delnicki asked if there was anyone from the public that would like to speak.

Ms. Mike Berghuis, 18 Mountain View Road came forward and explained that he has been a resident of South Windsor for over 50 years and a lot of residents on Mountain View Road have been in South Windsor for a long time and about the fence at the high school. Mr. Berghuis stated that the wall will help residents enjoy their yards and he also felt it is very important for the Emergency Operations Center to be fully stocked.

Mr. Andy Paterna, 301 Strawberry Lane came forward to support the allocation and felt the wall at the high school as well as the furniture and fixtures for the EOC are very important.

Ms. Jane Beaudry, 26 Mountain View Road came forward to support this appropriation. Ms. Beaudry thanked the Council for their support because the sound reduction fence is very necessary because the track is a little higher than the previous fence.

Mr. John Caldwell, Superintendent of Parks explained that the current fence is a 4' chained link fence and what is proposed is a 10' chained linked fence with acoustiblock on it. Each panel is 6' wide and 10' long weighing 60 pounds. The acoustiblock costs approximately \$4,400.

Those opposed to the appropriation of \$300,000 from the Capital Stabilization Fund to cover costs associated with a fence at the High School, furniture and fixtures at the EOC, and Revaluation: 0

The public hearing was closed at 9:12 p.m.

Respectfully submitted,
