**TOWN COUNCIL – REGULAR MEETING  
VIRTUAL MEETING**

**1. Call Meeting to Order**

Mayor Paterna called the Special Meeting to order at 7:03 p.m.

**3. Roll Call**

Members Present: Mayor Andrew Paterna  
Deputy Mayor Liz Pendleton  
Councilor Audrey Delnicki  
Councilor Erica Evans  
Councilor Mary Justine Hockenberry  
Councilor Cesar Lopez  
Councilor Karen Lydecker  
Councilor Lisa Maneeley  
Councilor Janice Snyder

Others Present: Michael Maniscalco, Town Manager  
Vanessa Perry, Asst. Town Manager/Director of H.R.  
Scott Roberts, Asst. Town Manager/CIO/Emergency Mgmt.

After roll call was complete, Mayor Paterna read a proclamation recognizing Chief Scott Custer on his retirement.

**4. Mayor's Remarks**

Mayor Paterna congratulated Chief Custer on his retirement and Christian Lindstrom on his promotion to Chief of Police. Mayor Paterna then requested a moment of silence be taken for the passing of General James Throwe and Ruth Bader Ginsburg.

**5. Adoption of Agenda**

Councilor Delnicki made a motion to adopt the agenda as presented. Councilor Maneeley seconded the motion, and it was approved unanimously.

**6. Communications and Reports from Town Manager**

**6. Communications and Reports from Town Manager (Continued)**

- There is a total of 219 confirmed cases of COVID-19 in South Windsor, with 189 of those confirmed cases past quarantine. There have been 32 people who have passed away from COVID-19.
- The new Executive Order requires people to wear masks while in public and limits the number of people in gatherings. There had been discussions held regarding how the Town will enforce this Executive Order.
- It has been announced that the new Police Chief is Chief Christian Lindstrom. A COVID-19 safe pinning ceremony will be held, and ways will be identified for him to get out and meet the community safely.
- The ICMA Conference this year will be held virtually on September 23<sup>rd</sup> through September 26<sup>th</sup>. Mr. Maniscalco informed the Council that both Assistant Town Managers and he would be attending.
- Meetings were held with the owners of Evergreen Walk to brainstorm ideas of how to reimagine and incentivize Evergreen Walk to start filling up the storefronts. These conversations will be ongoing.

Answering questions from the Council, Mr. Maniscalco explained that conversations had been held about the different opportunities in retail and retail in the future from their perspective. Evergreen Walk feels that retail is going through a right sizing at this time. Mr. Maniscalco then explained that the cost for the extra patrols for the peaceful protests over the weekend would be sent to the Council members.

**9. Communications from Liaisons, Officers, and Boards Directly Responsible to Council**

Councilor Hockenberry announced that today is the International Day of Peace. The Human Relations Commission is celebrating its 3<sup>rd</sup> Annual Event from 7:00 p.m. to 8:30 p.m. It is a virtual celebration with yoga, meditation, and speakers. There is a link under the Human Relations Commission Facebook for people to participate in this event.

Councilor Lydecker stated that the Open Space Task Force met on September 14, 2020. There were discussions regarding 140 Smith Street, 137 Pheasant Way, 1355 Ellington Road, and the Priest property. The Task Force elected Patricia Botteron as Chairperson, John Caldwell as Vice-Chairperson, and Sue Larsen as Secretary. They honored Herb Asplund for his 20 years on the Open Space Task Force and his role in preserving farmland.

Councilor Lydecker informed the Council that the Board of Education's monthly meeting is scheduled for Tuesday, September 22, 2020. The Superintendent of Schools sent out an email to parents informing them K-5 will have the option of full-time in-person learning, five days per week, as of October 5<sup>th</sup> with dismissal at 1:50 p.m., or hybrid learning. The Middle School and High School will remain with hybrid learning.

Deputy Mayor Pendleton announced that the Wood Memorial Library & Museum would hold their Gingerbread Festival from November 27<sup>th</sup> to January 3<sup>rd</sup>. The event will be held at Evergreen Walk, where the gingerbread houses will be displayed in the windows. Wood Memorial Library & Museum is looking for volunteers to help with this event. More information can be found on the Wood Memorial Library & Museum website.

**10. Reports from Committees**

Councilor Evans reported on the Black Lives Matter Sub-Committee explaining that the Sub-Committee would like to bring in a facilitator to help finalize the Statement of Support. There was an approval tonight to expend \$300.00 towards a Community Conversation Event where Dr. Joseph Cooper would speak. The event is scheduled for October 20, 2020, at 7:00 p.m. There will be a limited number of people allowed in-person, and the event will also be virtual.

Mrs. Mary Etter, Director of the South Windsor Public Library, explained that the Library would be holding six conversational sessions beginning in December regarding Social Justice and Racial Inequity. Mrs. Etter informed the Council of the programs that are scheduled. At this time, the Library is in the process of gathering information from other libraries and communities in order to host conversations. The Library is open to any suggestions that anyone may have to keep this as an ongoing conversation.

Answering questions from the Council, Mrs. Etter stated that eventually, there would be costs associated with these programs. It is hopeful that these virtual programs could be available on the website for residents to watch in the future. Mrs. Etter stated that she does not know if the Town has the ability to know how many people have watched the different programs.

Council members discussed the peaceful protests (Black Lives Matter and Back the Blue) held over the weekend. Councilor Snyder and Councilor Delnicki reported that they had heard there were issues earlier in the day, but they had not encountered any problems when they were there.

**11. Consent Agenda**

**a. First Reading**

Councilor Hockenberry made a motion to approve Agenda Items 11.a.A through 11.a.F for a First Reading on the Consent Agenda. Deputy Mayor Pendleton seconded the motion, and it was approved unanimously.

**A. Discussion Item: Application Process for Absentee Ballots for the November 3, 2020 Election (requested by Councilor Hockenberry) (Bonnie Armstrong, Town Clerk; Sue Burnham, Registrar; and Sue Larsen, Registrar to be present)**

Mrs. Armstrong, Town Clerk, came before the Council and explained the process for using Absentee Ballots. The Town Clerk's Office has already processed 1,500 applications, with another 2,000 left to do. The ballots must be received by 8:00 p.m. on the night of the election to be counted. Ballots will go out on October 2, 2020.

Answering questions from the Council, Mrs. Armstrong explained that the last day ballots could be issued is the day before the election. Residents can mail the ballots back or drop them off in the ballot box in front of Town Hall, remembering that the ballots must be received by 8:00 p.m. on the night of the election. Applications can also be dropped in the ballot box. The Town Clerk's Office has a great staff and also has temporary help for this process. The State of Connecticut is giving funds to help offset some of the costs of this process.

At 8:00 p.m., the Regular Meeting was recessed to hold a public hearing. The Regular Meeting reconvened at 8:03 p.m.

Mrs. Sue Larsen, Registrar, informed the Council that when the Town Clerk's Office received the Absentee Ballot, a red "A" will be put next to the voter's name on the voter list. The Registrars Office will take that information to update the voter's list. This information is updated right up until the night before the election. So, if someone comes in to vote and there is a red "A" next to their name, they will not be allowed to vote. Any ballots that come in the ballot box the night of the election or early the following day, the Registrars Office will go through, and if someone has been checked off, the ballot will be rejected.

Mrs. Armstrong informed the Council that Connecticut is not a signature verifying State. There is a statement on the application and ballot that says that by signing these forms, the person is attesting to the fact that they are that person. If a registered voter has not received an application for the Absentee Ballots from the State of Connecticut, the application can be downloaded off of the website. During an election, there are six reasons a person can fill out an Absentee Ballot, but at this time, COVID-19 is an additional reason people can use an Absentee Ballot. All voters can check the COVID-19 box for a legitimate reason for filling out an Absentee Ballot.

It was explained to the Council that when voters register to vote, they put their address on the form. Whatever address is used is where everything will be sent, except if they register for the first time, the Letter of Confirmation will be sent to their address even if they have used a P.O. Box. All other items after that will be sent to the P.O. Box.

Mrs. Sue Burnham, Registrar, explained that when a voter comes into the polls to vote, there is sanitizer for them to use. All of the workers wear masks and have a plexiglass shield in front of them. When voting, there is a disposable pen and placemat for the voter to use, and then when the voter exits the poll, there is sanitizer for them to use again.

Mrs. Larsen informed the Council that signs would be put up at all polling locations, and the Registrars website will inform voters where they are voting. There will be a sign in front of the Community Center informing voters who had previously voted there that their polling location is at Philip R. Smith Elementary School.

**B. Resolution Amending the Membership of the Energy Committee**

WHEREAS, in May 2014, the Town Council established the Town of South Windsor Energy Committee; and

WHEREAS, in December 2014, the Town Council designated the Energy Committee as a Standing Committee of the Town through an amendment to its Town Council Rules and Procedures, Article IX, Section 7 (a); and

WHEREAS, consistent with the Town Council's Rules and Procedures, the Town Council desires to change the membership composition of the Energy Committee as set forth herein.

NOW, THEREFORE, BE IT RESOLVED that the Energy Committee shall consist of twelve (12) members who shall be appointed by the Town Council. The members of the Committee shall include three members of the Town Council, the Town Manager or the Town Managers designee, the Superintendent of Schools or the Superintendent of Schools designee, and seven (7) additional members of the public representing diverse interests as property and/or business owners, at least one of which also shall be experienced in the fields of energy management, clean energy, renewable energy, public outreach, architecture, building construction, or building trades.

**C. Resolution Authorizing the Appropriation of \$410,000 of LoCIP Funds to Cover Costs Associated with the Replacement of the South Windsor Town Hall Elevator and Construction of an ADA Ramp**

WHEREAS, the South Windsor Town Council wishes to use \$410,000 in LoCIP Funds to pay for the replacement of the South Windsor Town Hall elevator and construction of an ADA ramp; and

WHEREAS, the required public hearing was held on Monday, September 21, 2020

NOW, THEREFORE, BE IT RESOLVED that the South Windsor Town Council hereby authorizes the Town Manager to apply to the State of Connecticut, Office of Policy and Management to use \$410,000 in LoCIP Funds to cover costs associated with the replacement of the Town Hall elevator and construction of an ADA ramp.

Was made by Deputy Mayor Pendleton  
Seconded by Councilor Maneeley

Mr. Maniscalco explained to the Council that the present elevator was designed in the 1960s and does not meet ADA standards. The Town is proposing to construct a handicap ramp at the front of the Town Hall to give handicap accessibility during and after the work on the elevator. The current elevator is not the normal pulley system, and if the Town were to change the elevator to a pulley system, there would be a need to perform structural changes to the building, which would be very costly.

Mr. Major informed the Council that the replacement of the elevator would take approximately 9 to 10 months. The estimated cost of the project is \$600,000, with \$410,000 from LoCIP Funds and \$190,000 from the Capital Projects. The construction of the ramp will begin as soon as the State approves the use of LoCIP Funds, and it is hopeful that the ramp is complete before the elevator project begins.

Mr. Major explained that his department will look at having the front doors retrofit with a push button to have the front doors open automatically, but it is not required to have a handicap push button on exterior doors. Mr. Major will let the Council know how much that would cost as it is not part of the estimated budget for this project.

Mayor Paterna called for a vote on the motion; it was approved unanimously.

**D. Resolution Authorizing Town Manager Michael Maniscalco to Sign and Execute an Agreement with the Town of Vernon**

WHEREAS, the Town of South Windsor recently won the competitive bidding process to haul the leaves that the Town of Vernon collects to South Windsor; and

WHEREAS, the Town of Vernon will pay the Town of South Windsor \$2.62 a cubic yard for this service

NOW, THEREFORE, BE IT RESOLVED that the South Windsor Town Council hereby authorizes Town Manager Michael Maniscalco to sign and execute an agreement with the Town of Vernon to accept their compost material.

Was made by Councilor Maneeley  
Seconded by Deputy Mayor Pendleton

Mr. Maniscalco informed the Council that the funds produced from this would go into a Special Revenue Fund for compost sales. The cubic yards that the Town would receive was estimated at 20,000.

WHEREAS, The Sister Cities Partnership/Program between South Windsor, Connecticut, and Quito, Ecuador will foster mutually beneficial relationships and the exchange of ideas between two municipalities; and

WHEREAS, the South Windsor Town Council would like to enter into The Sister Cities Program with the City of Quito, Ecuador

NOW, THEREFORE, BE IT RESOLVED that the South Windsor Town Council hereby authorizes Town Manager Michael Maniscalco to sign and enter into an agreement with the City of Quito, Ecuador

Was made by Councilor Lopez  
Seconded by Deputy Mayor Pendleton

Councilor Snyder requested that a lot more information regarding the program be shared with the Council, such as how the program runs, what information South Windsor would be looking for from Quito, and what information Quito would be looking for from South Windsor. Quito presently is a Sister City to a town in Massachusetts and Florida; Councilor Snyder would like to know the benefits of those relationships. All of this information is necessary to make sure the Quito is a good fit for South Windsor.

Councilor Lopez explained that he had started doing some research, but would like to do more.

**G. Discussion Item: Public Input (requested by Mayor Paterna) (Town Attorney to be present)**

Mayor Paterna explained to the Council that he feels the Council should develop a policy handling public input while the Town is holding remote meetings.

Councilor Delnicki stated that she feels emails should be read into the record while the meetings are held remotely. The five-minute rule could apply to each email.

Councilor Evans stated she would be in favor of each email being scanned and sent to Council members. The emails could be shared on the website for the public to view.

Councilor Snyder stated that the public expects to be heard during public input, so the Council should continue to have the emails read into the record. The Mayor should expect the same type of conduct as if someone were in person. Councilor Snyder stated that she is also in favor of having the emails put on the website.

Deputy Mayor Pendleton explained that each person has five minutes to speak. Each person should have the opportunity to speak once and then allow all others the time to speak. If a person wants to speak a second time, they would be permitted after hearing all others. Deputy Mayor Pendleton stated that she supports the Mayor stopping anyone who is not being appropriate.

Councilor Maneeley felt that the Council should not be stifling the public and should read the emails that come in. The Mayor should stop the reading of any inappropriate emails.

Councilor Hockenberry stated that she feels it is important for the Council to hear from the public.

Town Attorney Olsen explained to the Council that every Town handles public input differently. Public input is a policy decision determined by the Council, but there is no obligation to have public input. Attorney Olsen stated that when it gets to the point that public input is getting in the way of getting business done, then it is a disservice. Attorney Olsen then informed the Council that when the public comes up to comment, they do not have any obligation to give their name or address under FOI and requested that if emails from the public are being put onto the website, their email address should be blacked out. When in-person meetings are back in session, the Council could request that when speakers give public input, they do not repeat what others have stated.

Mayor Paterna said that with emails, you might get the same thing repeated, and maybe the Council should consider changing the rules and having public input go back to a 20- or 30-minute time limit.

Answering questions from the public, Attorney Olsen explained that the Council could request a speaker's name and address, but under FOI, the Council cannot require people to disclose their name and address. The Council also cannot deny anyone from being heard if they refuse to give their name and address. The Council has every right to control what is said if the person speaking is being derogatory or inappropriate.

Attorney Olsen informed the Council that it had been this Town's policy that the Council does not engage in discussions back and forth with the public during public comment. Listening to the public and taking comments under consideration, setting policies, having resolutions, and setting goals based on what the Council has heard is how the Council should respond. The Council should be fair to all and not stifle certain people because the Council might disagree with what is being said.

Answering further questions, Attorney Olsen said that the Council should adhere to their five-minute limit for each email. Hearing the residents before individuals that do not live in Town would be a policy decision that the Council should make, but cautioned the Council again that individuals are not required to give their name and address. Attorney Olsen suggested that the Council review their rules and policies for public input and then stated that putting restrictions on public comment is wise.

**H. Discussion Item: Connecticut Coalition on Race Amity Day (second Sunday in June each year) (requested by Mayor Paterna)**

Mayor Paterna explained that proclaiming June 2<sup>nd</sup> of each year as Race Amity Day is a Statewide effort. Towns have been encouraged to sponsor some type of event or program for that same day, but are not required to do so. The Council is being asked if June 2<sup>nd</sup> of each year should be proclaimed Race Amity Day in South Windsor.

Answering questions from the Council, Mayor Paterna explained that Connecticut Coalition is a Statewide program with a chapter in South Windsor. The South Windsor Chapter would sponsor programs each June 2<sup>nd</sup>. Mayor Paterna stated that he would ask members from the South Windsor Chapter to come to the next meeting to answer any questions that the Council may have.

Mayor Paterna informed the Council that this discussion item is to talk about how the Council should fund the flag poles, and it is not about the project itself.

Mr. Maniscalco explained that he needs to put together a project budget and would like to know if the Council would like to include private funding into the cost.

Councilor Snyder stated that she feels the Council should accept donations from private sources because groups have said they want to participate by giving a donation. The donations should be put towards purchasing the flag poles, and there should be a Memorandum of Understanding signed for any individual or organization that would like to donate. The Town Manager or the Town Attorney can draft an agreement.

Town Attorney Kari Olson explained to the Council that if the Town is going to accept donations, it has to be clear that the pole becomes Town property and is subject to the Town Council rules as to what flags are flown. In the agreement, it will be clear that any accepted donations would have to be unconditional without any expectations. Mr. Maniscalco stated that he feels it would be straightforward to have an agreement that is signed by all parties.

Deputy Mayor Pendleton stated that she would like a better understanding of the project in order to decide on private funding or strictly Town funds.

Mr. Maniscalco stated that the Council had directed him to put in three flag poles so that the Town could have organizational flags flown. The Council was given the opportunity to identify a location, which has been reviewed and decided upon. There are standard items that flag poles need to have put in place, such as electricity, lighting, and the ability to maintain the area. The plan the Council was presented with at the last meeting meets those very simple needs. There should not be anything else needed for the decision to approve private donations. Mr. Maniscalco explained that if COVID-19 did not take place, these flag poles would already be done.

None

**15. Public Input**

**The public is welcome to email comments to TownCouncilComments@southwindsor-ct.gov.** Town Council members will not respond to any public comments/questions.

Mr. Roy Normen, Homestead Drive, stated that the original estimate for one flag pole to be put up was between \$900 to \$1,600, and now this project has expanded to three flag poles at the cost of \$17,000. Mr. Normen felt that this is too much. The area near the flag poles can continue to be grass, and the Town can ask the Garden Club to come in to do some plantings. The electrical work to light the flag can be reduced by mounting a light fixture on the Wapping Community building and tying it into a circuit. The fixtures could be screened so that the light source cannot be seen by passing motorists. These suggestions will make the cost more manageable and could be covered by donations. This should be a community project and not paid out of taxpayers' money.

Mr. Adam Wood, Wood Pond Road, thanked Chief Custer for his service to the Town and also thanked the citizens of South Windsor and surrounding Town citizens for coming to support police officers this past Saturday. While speaking with citizens at the event and online, Mr. Wood stated he found a common theme, which was that people understand the importance of law enforcement. They also felt the showing support for police put a target on their back. Mr. Wood stated that he supports the freedom of expression and would like to partner with the Black Lives Matter organization to bring the community together; however, actions at the last two events lacked civility, class, or facts. Mr. Wood requested that for every dollar donated to educate about diversity, which is important, the same be done about educating the public about law enforcement.
