## A. Board of Education Budget Presentation for Fiscal Year 2021/2022

Chairman Craig Zimmerman, Board of Education, stated that on behalf of the Board of Education, he is proud to present the approved Board of Education budget to the Town Council. The Board of Education and Administration has tried to be fiscally responsible while providing the best education to each student. Budget discussions are often about dollars spent and potential tax increases, but it also indicates the priorities that the Town thinks are important. Chairman Zimmerman thanked all administrators, teachers, and staff for their remarkable efforts and performance during the pandemic.

Chairman Zimmerman informed the Council that over the past five years, enrollment has increased by almost 400 students. From 2015/2015 to 2025/2026, enrollment is projected to increase by almost 1,000 students. The Board of Education views this increasing enrollment as a positive challenge.

Dr. Kate Carter, Superintendent of Schools, came before the Council to present the Board of Education's Budget for Fiscal Year 2021/2022, as shown in **Exhibit C**. The Board of Education is proposing an increase of 3.39% for Fiscal Year 2021/2022, which results in a budget of \$77,958,844. Dr. Carter reminded the Council that in Fiscal Year 2020/2021, the Board of Education did not have an increase. Dr. Carter reviewed the budget drivers of Contractual Obligations/Maintenance of Operations, Increasing Enrollment, Special Education, and Strategic Planning/Program Improvements.

Answering questions from the Council, Dr. Carter explained that last year the proposed increase to the Board of Education budget was 2.69%. In April of 2020, the Board of Education changed its request to 0% because of the onset of COVID-19 and the uncertainties. If the Board of Education had received its original ask of 2.69% last year, the Board of Education would only be requesting 0.69% this year instead of the 3.39%.

Councilor Lydecker expressed her gratitude to the Board of Education staff for all of their hard work during the COVID-19 pandemic. The parents appreciate everything the teachers have done this year.

## B. General Government Budget Presentation for Fiscal Year 2021/2022

Town Manager Michael Maniscalco came before the Council to present the General Government Budget for Fiscal Year 2021/2022, as shown in **Exhibit D**. Town Manager Maniscalco explained that the total budget by expenditure is \$128,305,642, which includes the Board of Education request of \$77,958,844; the General Government request of \$37,587,921; Capital at \$2,174,472; and Debt Service at \$10,584,405. Town Manager Maniscalco reviewed the Budget Dashboard for the Council members.

Answering questions from the Council, Town Manager Maniscalco explained that the line item of \$10,852 under Professional on the slide titled "Town Operations – Proposed Budget Change" shows a reduction in contractual services.

Councilor Snyder questioned how the Council should handle any questions they may have when reviewing the budget? Town Manager Maniscalco stated that any specific questions regarding any department should be directed to him. It is always helpful to know questions that may be asked regarding a certain department prior to a meeting so the staff can work on getting the answer for the Council. Questions can certainly be asked during a meeting, but Town staff may need to do research before responding to the Council.

Mayor Paterna questioned if it would be easier to send emails as opposed to calling? Town Manager Maniscalco stated that emails would be a lot easier. If the public has any questions, please do not hesitate to ask.

Town Manager Maniscalco informed the Council that the demographics on the Town website are based on the most recent information that the Town has. The Town has not received the latest census data yet.

## 5. B. (Continued)

Deputy Mayor Pendleton requested that the Town Council receive a hard copy of the General Government Budget presentation.

Answering further questions from the Council, Town Manager Maniscalco explained that the Water Pollution Control is in the process of lining pipes in Town. They are also taking on additional debt to renovate the pump stations.

Town Manager Maniscalco explained that of the \$444,327 increase to the budget, \$382,000 is for contractual obligations, which is any contract that the Town has entered into that has an increase built into it.

Councilor Snyder requested that the Town Manager provide the Council with a list to explain what the increase of \$62,327 will be used for. This is the difference between the request of \$444,327 and the \$382,000 for contractual obligations.

## 5. Adjournment

At 8:06 p.m., Councilor Maneeley made a motion to adjourn the Special Meeting. Councilor Snyder seconded the motion, and it was approved unanimously.

Respectfully submitted,

Deborah W. Reid

Michael McClellan 107 Murielle Drive

Good Evening Town Council,

It has been a very tumultuous year thus far in our town. With the referendum now behind us, I think it's important to remember how vitally crucial it is to maintain open channels of communication between the council and the residents. I'm sending this email tonight to remind you all to look inward, and think deeply about how you as resident of this town, can make a difference with your voice and vote. You each have the individual responsibility to make yourself heard, and I cannot stress that point enough. I am disappointed at the virtual wedge that has been pushed in between the Council, the town managers and the residents. I implore you more than ever to get back to in person meetings as soon as possible. The alienation between our government and citizens is an issue that I only see being exacerbated in the future. We as a town can do GREAT things, if we work together. Please consider everything I have said carefully. I love this town, and I'm hopeful and excited for the future of South Windsor.

Sincerely, Michael McClellan

To Whom so ever it may concern,

I am writing to express my support of the creation of a Social Justice Commission for South Windsor. I currently serve as the chair of the Human Relations Commission and have worked hand in hand with the Black Lives Matter Sub-Committee on conversations with the community and have welcome participation from sub-committee members with the HRC events that we have held recently. This commission would be an asset to our town with its ability to delve deeper into the issues related to racism in out town and to increase our communities diversity throughout our town and employment. I believe the sub-committee has created a great starting point for the commission to continue to do the good work needed in our town. The Statement of Support has outlined some key issues that need to be addressed and developed to make sure that we are continuing to foster South Windsor as a community that is welcome to all no matter an individuals racial or social status. I look forward to seeing the creation of this commission and continuing to work with them toward to positively impact our town.
