**To:** Members of the South Windsor Town Council

**From:** Michael Maniscalco, Town Manager

**Subject:** Town Manager's Report for 4/17/2023 Town Council Meeting

**Date:** April 13, 2023

**Covid Memorial Ribbon Cutting:** On May 1, 2023, the Town will be hosting a ribbon cutting ceremony for the Covid-19 Memorial. It would be great for the Council to attend this event.

**Strategic Planning:** With the completion of the Strategic Planning survey, the Committee has started to put together facilitated discussions with elected officials, department heads, civic leaders, business and new homeowners. These discussions are by invitation and are planned to occur over the next month.

**Newtown Town Manager Committee:** The Town of Newtown is currently evaluating changing their form of government to a Town Manager-Council structure. I have been asked, along with a few other managers, to participate in an interview so they can better understand the benefits and workings of our form of government

**Social Security and Medicare Talks:** The Human Services Department is hosting a talk with a professional from the Social Security Administration on April 27th at 11am in order to provide information and advice on Social security. Medicare 101 will be hosted on June 7th at 11am. You do not need to be a resident or town employee to attend.

**Splash Pad:** The Parks and Recreation Department is in the process of starting construction on the splash pad. We are going to work on a small ground breaking ceremony to kick off this project. An invite will be going to the Council soon.
